

Frank Robinson 'Man of Year'

Frank Robinson has been named SPORT Magazine's "Man of the Year" for 1966 in its 20th annual "Top Performer" selections. Robinson was sent to Baltimore Orioles summer camp for pitchers Milt Pappas and Jack Baldschun, and SPORT's "Top Performer in Baseball" had his finest season after being traded away from the Cincinnati Reds in one of the most controversial deals in baseball history.

The signups are held at the league's ball field located at the end of 147th Street, west of Crenshaw Blvd., on the Torrance Airport property. Boys are urged to be at the field when sign ups begin at 10 a.m.

In event of rain, sign ups will be rescheduled for Saturday, Jan. 28.

A boy must provide a "Notice of Birth" and be accompanied by one parent to complete registration. A donation of \$10 per boy will be accepted at this time to cover insurance, registration, equipment and other expenditures.

All new and returning boys 13 through 15 years of age, who have not reached their 16th birthday prior to Aug. 1, and those who are 13 by Aug. 1, must register at this time to compete in the coming season.

Soccer Teams End Schedule At Jefferson

Leagues Set For Redondo

The Redondo Beach Recreation and Parks Department is forming adult basketball leagues. Two different types of leagues will be offered. The first type is an open league—cost of approximately \$55. This league will follow the regulation basketball rules.

The second type of league will be an amble or slow-down league—cost will be approximately \$35. In this league such things as the fast-break and full court press are not allowed. This enables players of all ages to compete on the same basis. Speed is not as much a determining factor as is teamwork and shooting accuracy.

The leagues will be formed on a first-come, first-serve basis, with resident teams getting first priority. It is anticipated that league play will begin the week of Jan. 23. Games will be played on Tuesday and Thursday nights. For further information, please contact Royal Lord at the Redondo Beach Recreation and Parks Department, 372-1171, Ext. 246.

Parnelli Switches Cars For Motor Trend 500

A late switch in driving assignments has produced some additional spice for next Sunday's 5th annual Motor Trend-Riverside 500 at Riverside International Raceway.

Parnelli Jones, 1963 Indianapolis winner who was originally slated to team with Dan Gurney in a 1967 Mercury Cyclone for the \$85,000 classic, announced last week he will be in a 1967 Ford Fairlane entered and prepared by Bill Stroppe and Associates of Long Beach.

The surprise switch puts Jones on the same team with another Indianapolis veteran, two-time national driving champion Mario Andretti, who entered last week. It marks the first time this pair has been teamed for any major race.

Meanwhile, the Cyclone vacated by Jones has been assigned to veteran Curtis Turner of Charlotte, N.C., the same man who gave Gurney such a tough fight for his fifth victory last year, before he had exchanged the lead several times and, in the process, Turner racked up new track records for 40, 60, and 70 laps of the race.

In the four years the 500 has been in existence, Gurney has been the only man to enter the winner's circle, challenging 2.7-mile road course.

Dan has been at the Raceway all week practicing with his new car and has turned several laps in record time. His best effort was a 107.477 mph whirl that unofficially smashed David Pearson's 1966 one-lap mark of 106.078 mph.
